Education

Metropolitan State University
Bachelor of the Fine Arts in Communication Design
Minor in Industrial Design

2014-2020

Work Experience

Summer Internship 2019 Danone North America
Over a few months of the summer I worked in the Broomfiled
Danone NorthAmerica Building in which I worked as a design intern.

Summer 2019

- competitive team setting
- product/packaging design
- working with brand standards
- project/time management
- formating layouts for informational materials
- attended photoshoots

Volunteer Experience

I volunteered as a Tax Preparer providing free tax filing for lower income
families in my community. I was a certified tax preparer for the year 2013 in
which I worked with community members inputing their tax information and
sorting it into the appropriate areas as per my training.

2014

- customer service
- cooperative team setting
- technical execution
- attention to details
- handeling sensetive information
